Additional Information: The version of eHCTERS released on November 9, 2018 required establishments to only include 361 HCT/Ps (HCT/Ps described in §1271.10). eHCTERS is no longer used for HCT/Ps regulated as drugs, devices, and/or biological products under 21 CFR Parts 207 or 807.

Previously listed HCT/Ps regulated as Medical Devices (ReConnex Pre-Sutured Tendon; AlloFuse DBM Gel and Putty; and AlloFuse Plus DBM Putty and Paste) are now listed exclusively with CDRH under AlloSource's medical device listing.

Previously listed HCT/Ps regulated as Biological Drugs (Vascular Grafts) are no longer listed, as these products are being manufactured under an investigational new drug application (IND) (21 CFR Part 312), and therefore do not require listing.
